10<sup>th</sup> March 2020

Dear Parents/Guardians

A younger pre-school sibling of one of our pupils has presented with flu-like symptoms and their GP has instructed the family to self-isolate for one week as a precaution to monitor if symptoms persist. The child has not been tested for Covid-19.

This isolation is precautionary. I advise that we all continue to observe Public Health Authority (PHA) guidance and be diligent with personal hygiene.

I will keep you fully informed if the situation evolves. I will ask you to respect the family's right to privacy and if you need further information please contact the PHA or I will be happy to speak to you in school.

Regards

Chris McCann  
Principal
